

**TES PTA MINUTES
March 5, 2012**

I Call to Order 7:00

II Approval of the February Minutes

III Report of Officers

Principal's Report:

1. Cindy shared her thoughts on a new layer to prevent bullying. She showed us the no bully zone link where students can report bullying online. It is available to all students, but the admin. team presented it specifically to grades 3, 4, and 5. This is just another opportunity for students to be able to be helped if they need it.

2. Changes in transportation: Cindy is concerned about 60-70 transportation changes per day. On Friday, it's up to 150 students. She wants to make people aware of what a burden that can be on teachers to make sure kids get safely where they need to be. Diana suggested resetting the main transportation form if they have had a major change in carpool etc.

3. Please keep an eye out for inappropriate behavior on the playground and on the property after hours.

Teacher Representative: agreed with Cindy and stressed the extra time teachers have to put in to manage notes home. Thanked PTA for treats

President Elect: Nominating Committee selected slate and it was approved unanimously

Survey to Parents: one week left for the survey..please spread the word for folks to take it.

Corresponding Secretary:

Treasurer Elect:

Treasurer's Report: we have met our income expectations for the year
